besonders
empfehlenswert

Sehr ausgeprägter
Reifen, besonders
gut auf Nässe (stabi-
le Seitenführung),
gut auch auf trocke-
ner Fahrbahn, relativ
geringer Verschleiß.

“N°1 rating.

Best tyre in test.

Strongly recommended.”

The F590 FS drew particular praise for its outstanding stability and grip in the wet, together with good dry performance and relatively low wear.

welt

ADAC Motorwelt

March 2002 - (Germany)

Circulation: 13.336.643

As published in the March 2002 edition of the association's "ADAC Motorwelt" magazine, the Firestone F590 FS and Bridgestone B330 Evo respectively ranked first and second in trials of 21 different brands in the 175/65 R 14 T size. Both were rated "highly recommendable" and described as "very well balanced tyres."

BRIDGESTONE B330 EVO

"Very recommendable."

(size: 175/65 R 14 T)

The B330 Evo was considered to combine a high standard of wet and dry capability with low noise.
